Prices of formulations recommended to BICP

2002. SHRI H. HANU-MANTHAPPA:
SHRI RAJNI RAN J AN SAHU:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) when were the prices of formulation of Captopril, Famotidine, Cefazoline, Sodium, Cafadroxyl and Levodopa recommended to Government by the BICP;

(b) whether it is a fact that formulators arc charging five to ten times than the BICP recommended prices for these formulations;

(c) whether Government have sent signals to the producers to come and negotiate on this issue and if so, at what level were the signals sent; and

(d) the steps being taken to fix the prices of these formulations and to fix the responsibility for holding back price fixation?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI RAM LAKHAN SINGH YADAV): (a), (b) and (d) The examination of recommendations of BICP and fixation of prices of formulations on that basis is an on-going process. Recommendations in regard to prices of formulations based on Captopril, Famotidine, Ccfazelinc Sodium, Ccfcdroxyl and Levodopa have been received recently and are at various stages of processing.
